63100 Clermont-Ferrand, France | 24 years

Seeking opportunities in Business Strategy, Project Management, Product Management, and Innovation.

Internationally mobile

PROFESSIONAL EXPERIENCE

- Product Owner** | PROLOG – Personal Productivity Intelligence | International / Remote **07/2026–Present**
- Built and launched PROLOG independently, owning product strategy, direction, user needs, positioning and early-stage operations.
 - Developed a Personal Productivity Intelligence platform using behavioral data and work-session tracking to generate actionable insights.
 - Grew the product to an early community of 20+ users while iterating around user feedback and needs.
- International Business Consultant** | X-Culture | Global Virtual Team | consulting project **01/2026–05/2026**
- Conducted competitive analysis and analyzed international target markets, trade regulations and market-entry opportunities for a real client company.
 - Developed recommendations covering market entry, marketing, operations, finance and product adaptation; managed project deliverables and timelines.
 - Collaborated in a global virtual team and presented the final consulting report and recommendations to the client.
- Startup Growth Executive** | LMKT – National Incubation Center | Karachi, Pakistan **11/2023–10/2025**
- Managed research and growth projects for early-stage startups, translating brand and market data into actionable insights.
 - Designed surveys and data-collection frameworks using Google Forms, Tally, NVivo, Power BI and Excel; improved reporting accuracy by 92% and reduced turnaround time by 12%.
 - Collaborated with internal and external stakeholders on programme design, workflow improvement, reporting and proposal development.
- Independent OD Consultant & Soft Skills Trainer** | Karachi, Pakistan **10/2019–08/2025**
- Led research, surveys and focus groups to evaluate programme effectiveness and identify improvement opportunities.
 - Designed and implemented an organizational development programme aligned with strategic objectives and presented findings to senior leadership.
 - Delivered professional development training for teachers as part of organizational development initiatives.
- Operations Intern** | SGS (Société Générale de Surveillance) | Karachi, Pakistan | internship **04/2022–05/2022**
- Conducted quality assurance checks and reviewed operational data for compliance with standards.
 - Prepared reports and dashboards supporting operational improvement.
